0 | Covered in snow part of the year

This walk leads through an extreme alpine environment and all walkers must be well prepared. During summer, be prepared for both very hot and cold weather, high winds, rain, snow, extreme UV levels and some sections of snow or ice on the ground. Before starting this walk, check advice with [Snowy Region Visitor Information Centre](#) (02) 6450 5600, the [weather forecast](#) and the [snow conditions](#) then change your plans as needed. These notes, grades and walking times have been written for use in the summer months only. Between May and the end of October, this walk is likely to be covered in snow/ice, visitors should carry and be prepared to use snowshoes or cross country skis. When there is a chance of significant snow on the ground, visitors will need particularly strong navigation and snowcraft skills - tracks and signage may not be visible. For most visitors, it is best to consider this walk closed during the colder months. Between the long weekend in June and October, the road between Perisher Village and Charlotte Pass is closed by the [RTA](#). It is possible to organise [oversnow transport](#).

0 | Charlotte Pass Village

Charlotte Pass is a small village consisting mostly of resorts and hotels, and a number of neighbouring ski runs. This small township is located a stone's throw from the end of Kosciuszko Road, where the turning circle and public toilets were put in place after the last stretch of the road (that winds down across the Snowy River and up to Rawsons Pass via Seamans Hut) was closed to public vehicles.
